Sweven Ship Private Ltd.

INTERNSHIP

COMPLETION CERTIFICATE

Date: 27/07/2025
UID: 20250525-C002

This certificate is proudly presented to

Tanishk Sarode

Has successfully completed his internship as a Software Engineer from 25th May 2025 to 25th July 2025. During this period, he demonstrated exceptional dedication and technical expertise. He played a key role in developing and deploying an AI-based customer support solution, integrating it with backend systems to automate queries related to shipments and payments. His work significantly improved operational efficiency, reduced response times, and enhanced overall user experience, while reflecting professionalism and a strong grasp of AI-driven automation.
